## Manager, Professional Services

z.Healthcare is a dynamic professional services organization providing a range of consulting, analytics, software, and outsourced solutions to the Skilled Nursing Facility (SNF) industry. We are seeking a **Manager, Professional Services** to enhance cohesion and promote idea-alchemy across our divisions.

The MPS will work in concert with respective division COOs and report to executive leadership. Responsibilities include facilitating interdepartmental integration, implementing efficient workflows to optimize productivity, ensuring quality of deliverables, developing policies & procedures, and calibrating qualitative & quantitative objectives.

### **Requirements:**

- 5+ years' experience in professional services or project management (SNF industry experience favored but not at all required)
- Understanding of interdepartmental dynamics
- Organized approach to process and purpose
- Ability to grasp, express and operationalize complex business strategy
- Strong written and verbal communication skills
- Hybrid schedule: in office at least one day/week
- Ability to work independently and in a team environment.

Salary commensurate with experience and expectations. Long-term growth potential. Professional purpose in a close-knit environment committed to improving an underappreciated but invaluable provider class.

**It's a position that matters.**
